

Meenon Town Board
Meeting Minutes
December 19, 2022

The meeting was called to order at 6:30 p.m. by Chairman O'Brien.

The meeting was posted in accordance to Wis. Stats. 19.84 Open Meeting Law.

Public Comments: J. Larson mentioned that he was not happy with the website for the Township. He was unable to find minutes or other items he was looking for. B. Johnson mentioned sanding of roads.

Approval of agenda order: Motion by Strese to move Wagner Surveying to #5 and have the police report when the officer instead of waiting until the end of the meeting. Seconded by Sybers. Motion carried.

Wagner Surveying (Whitetail Campground rezone) - property is in both Oakland Township and Meenon Township. Oakland is not on board with what Whitetail is requesting. We currently have Whitetail zoned at RR1. Whitetail is requesting to add an additional 30-35 camp sites and would be OK with being zoned RRC. There is no commercial property in Meenon's portion of the campground. Holding tanks for septic would be put in via State regulations. Whitetail currently has 2 pump trucks. There are also 2 wells on the property that services all the campsites. The County will not be making any decisions on Whitetail's request until their January meeting. O'Brien made the motion to "get questions answered and establish a direction with Waltzing's Campground and then discuss this again at the January meeting", seconded by Sybers. Motion carried.

Police report - due to staffing issues, they have not been able to spend much time in Meenon, however, they have been patrolling Midtown Road. The Police department is looking to be proactive.

Next meeting will be held on Monday, January 16th immediately following the Caucus which is scheduled for 6:30 p.m.
